

Dear Melbourne Community Member,

The Pride of Melbourne High's Mel-Hi Band is hosting its 2nd Annual Trivia Night Fundraiser, and we need your support! For years, our band has not only contributed to the spirit of Melbourne High but has also been a pillar in our local community. Managing the band's finances is no small feat, with an annual operating cost between \$70,000-\$80,000 and minimal school funding.

This year is crucial for us—we're aiming to fund instrument repairs and upgrade our equipment trailer, essential to maintaining our high standard of performance. Proceeds from the Trivia Night will be channeled directly to these areas.

The Mel-Hi Band fosters the future leaders of our community, instilling values of discipline and teamwork. Our inclusive policy ensures no student is ever turned away due to financial barriers, underlining our commitment to collective success and support.

We warmly invite you to make a tax-deductible contribution or donate goods and services for our silent auction. Your generosity means a lot, not only to the band but to the community, and provides marketing opportunities for your business.

Let's discuss how we can collaborate for our mutual benefit and further support our talented musicians. Reach out to chat about your potential contribution to the Mel-Hi Band or fill out the attached sponsorship form to become a Pride of Mel Hi Band Sponsor!

Thank you for considering our request, and for your continued communal spirit.

Warm regards,  
Cindy Rhoton  
Fundraising Chairperson, Mel Hi BPA
